Steve,

As requested, we've extracted the CSO portion of the semi-annual (PA Chapter 94) report and attached for your review. I've also attached the transmittal letters that accompanied the hardcopies of the Chapter 94 report and our annual OMM Update.

CDM Smith (Rachel Kirkham) posted electronic versions of the reports on a secure file sharing site and emailed directions to you, Pam, Sushila (at EPA) and Victor, Maria and Kumar Dharmendra (at DEP). You should be able to access the documents there immediately. If you have any questions, please let me know.

Hope you are well and adjusting to the telecommuting lifestyle. Despite the available tools and technology, I'm missing the collaborative office environment.

Take care,  
Dave
